

Teen Pregnancy & Prevention Partnership

Dear Friend,

The Teen Pregnancy and Prevention Partnership will be hosting its annual conference on Friday, May 11, 2012. The theme, “*Complete Information. Better Choices.*”, will encompass several different topics related to key issues affecting teens, including adolescent public health issues, media literacy, evidence-based interventions, and community resources.

The Teen Pregnancy and Prevention Partnership (TPPP) is a coalition of individuals and private and public organizations working together to improve communication and education so that youth throughout Missouri make choices that decrease the incidence of sexually transmitted infections and unplanned pregnancies. Since 1997, TPPP has worked to achieve this goal by providing professional development and networking opportunities, information on prevention resources, and technical assistance. The partnership’s volunteer leadership has created a strong coalition of over 50 private and public organizations, agencies, businesses, and adolescents who represent a variety of public and private interests.

Our 2012 conference promises to be an exciting one, offering several dynamic keynote speakers, as well as multiple local and regional experts sharing their knowledge on a variety of adolescent sexual health topics.

We would like to invite you and your organization to become a sponsor of this outstanding event. We look forward to hosting approximately 150 conference attendees, and would be most appreciative if you would assist us. To show our thanks to you, TPPP will provide one complimentary exhibitor space and conference registration(s), and will list your organization as a sponsor on all conference literature.

I have attached a list of sponsorship opportunities for your review as well as an exhibitor registration form for you to complete if you are interested in participating. You may complete it and return it to me electronically, or fax it to the number on the form. If you have any questions, do not hesitate to e-mail me at KMB3749@bjc.org, or call me at 314-454-8091. I look forward to speaking with you soon to work out further details of your organization’s sponsorship of the 2012 Teen Pregnancy and Prevention Partnership Conference. Thank you again for your consideration.

Sincerely,

Kate Barbier, MPH, MSW
Teen Pregnancy and Prevention Partnership Board Member and 2012 Conference Chair
